<b>Farmina</b>	<b>Description</b>			
Farmina comes in 2 meat content levels. 60% and 70%. The 70% is Grain Free while the 60% uses 20% spelt and oats. Both formulas use fresh, never frozen, regionally sourced ingredients manufactured in their own facility. Farmina is GMO free and manufactured to European pet food standards. They also use dehydrated meat rather than meat meals. Dehydrated meats are processed at a much lower temperature and thus retain more nutritional integrity.	Chicken w/grain	5.5lb	\$15.99	Next Day
